The Honorable William J. Casey  
Director of Central Intelligence  
Washington, D.C. 20505

Dear Mr. Casey:

The Hale Foundation, an independent advocacy organization, has proposed legislation to designate the first week of June (June 1-7, 1986) as "National Intelligence Community Week." Identical resolutions have been introduced in the House and Senate sponsored by the chairmen and ranking Minority Members of both Congressional intelligence committees. In the House, the measure is numbered H.J. Res. 527 although in the Senate it has no number yet.

The Hale Foundation is seeking cosponsors in both Chambers to discharge the measure from committee for floor votes in time to arrange appropriate events. We would be delighted to have a Presidential proclamation preceding "National Intelligence Community Week."

H.J. Res. 527 is non-partisan, patriotic, and, in the opinion of The Hale Foundation, highly desirable. Can we count on your support in obtaining Congressional cosponsors and in scheduling appropriate events to commemorate "National Intelligence Community Week?"

Sincerely,

Lawrence B. Sulc  
President
